If you choose to join the ranking, your session will be displayed in the leaderboard.

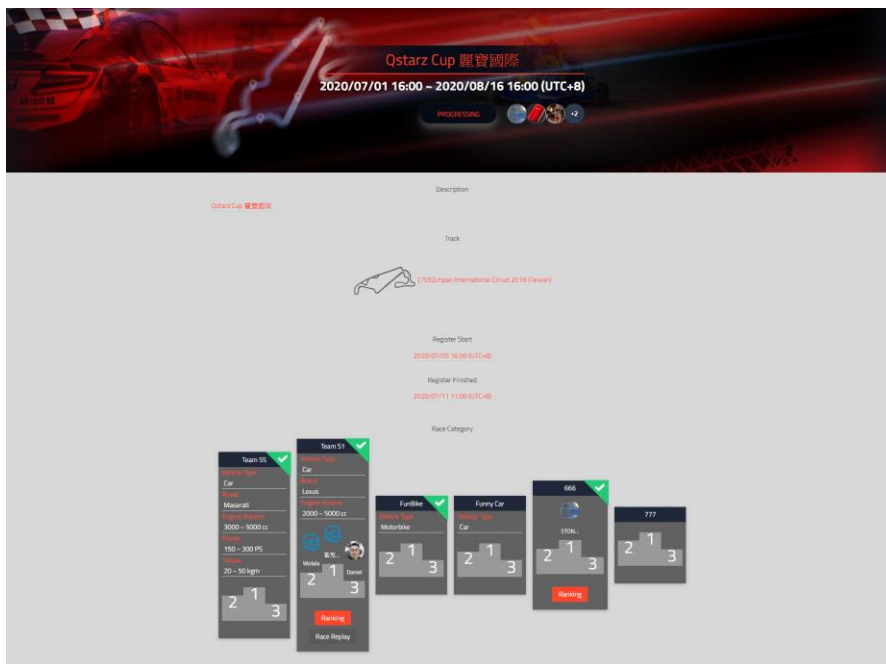

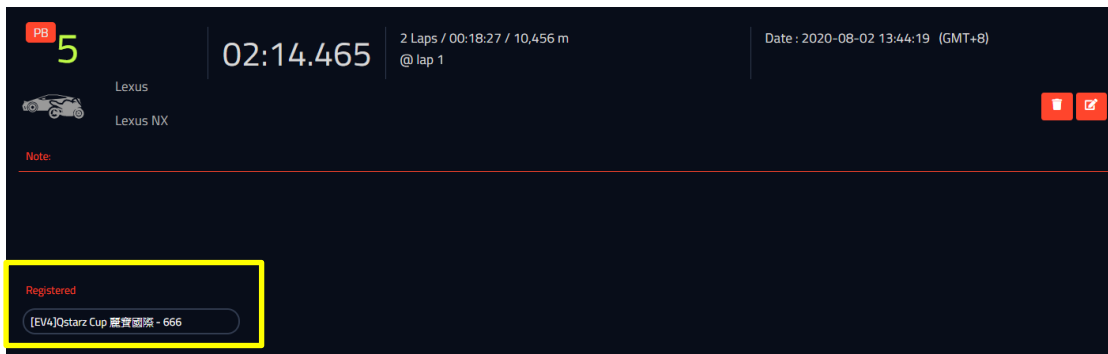

Click "Select Vehicle" and select the vehicle you drive or ride.

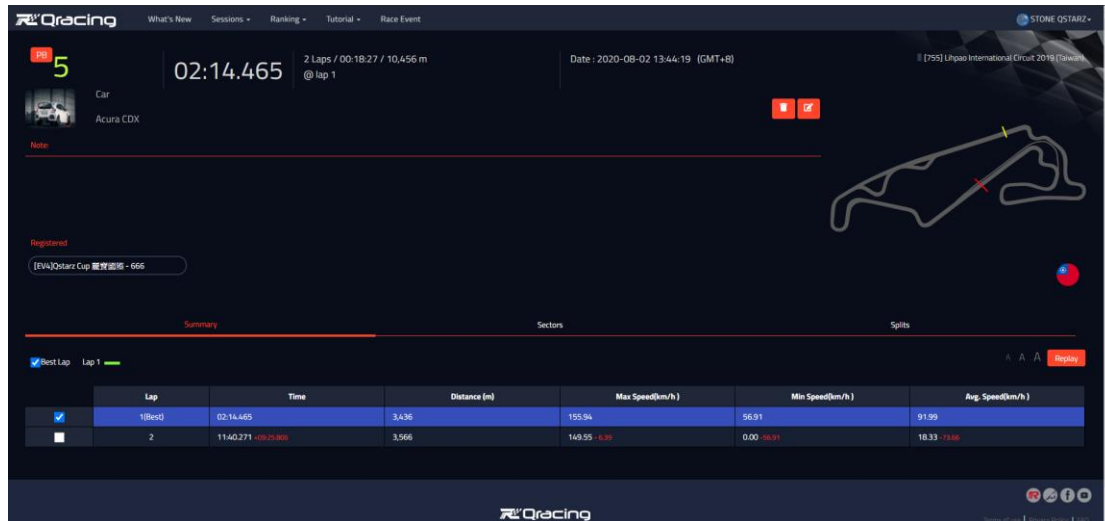

Race Events: The registered events will be displayed according to different vehicles, and you can choose whether to participate in the event ranking.

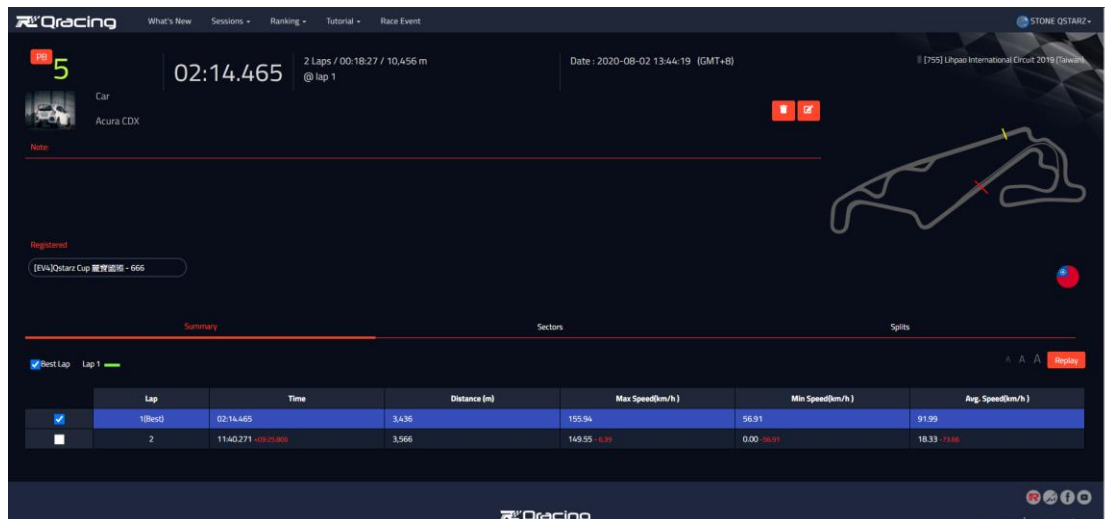

After selecting, the list of participating events will be displayed, and you can go to the event information page after clicking.

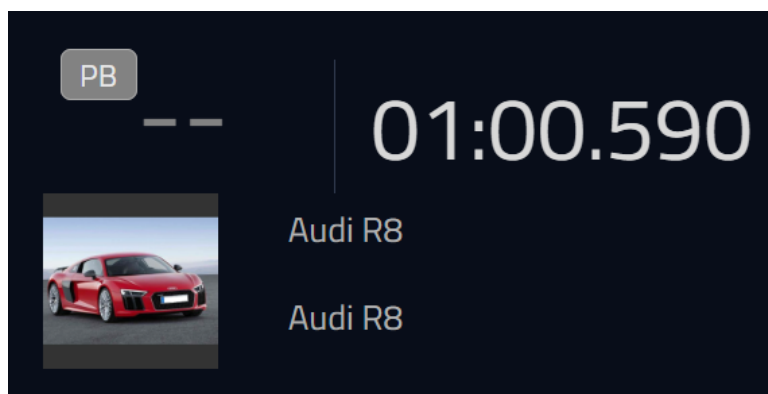

After editing and confirming, click "Save", the upper left corner will display the vehicle and remarks, and show whether to participate in the race events.

When "Join the Ranking" is enabled, the top left corner shows the personal best ranking (PB) for this track.

When "Join the Ranking" is disabled, personal best ranking (PB) indicates not participating.

If your personal best lap time is not with this session, the PB would not show up for this session.

The selected vehicle icon appears on the vehicle list of the session list.
